

The Archive of Market
& Social Research

CONTENT CONTRIBUTION TO THE ARCHIVE

Please identify below the materials (including UK journals, magazines, papers, project files etc.) which you are offering to the AMSR.

(If needed, please continue on a separate sheet)

Your name, including title: _____

Address: _____

Phone(s) _____

Email: _____

Agreement: (Please tick appropriate boxes; if any item requires a different answer, complete a separate form)
I wish to offer the items listed above to the Archive of Market and Social Research and confirm that ... (please tick one).

I, the owner, have full power to transfer them to AMSR or otherwise to dispose of them as I see fit

I, the depositor, acting on behalf of the undisputed owners, am authorised by them to contribute these items to the AMSR and have full power to transfer them to the AMSR or otherwise to dispose of them as I see fit.

I, the depositor, am unsure of the legal ownership of these items, but wish them to be saved for posterity. I understand that AMSR will not put these items in the public domain, or make them publicly available, until either ownership is established and the legal owner agrees, or 30 years* have passed from the date of authorship. I personally have no objection to these items being made publicly available.

Please mark here if you require the material to be returned to you after scanning/cataloguing

Should the AMSR decide that any of these items are not required for their archive, I request that:

They should be disposed of as the AMSR sees fit.

They should be returned to me at the address shown above

This form should accompany every contribution to the AMSR and should be included in the parcels of material sent to Ipsos MORI.

* If you have questions, or would like to discuss a longer or shorter embargo on public access, please contact Contents Committee Chairman by email: content@amsr.org.uk

Contributor/Depositor's signature:

.....

Date:

Please email the completed form to content@amsr.org.uk
